# Sustainable Agriculture Sourcing & Impact Goals

# 2020

## OUR GOALS

# 2030

Through PepsiCo's Sustainable Farming Program, sustainably source our direct agricultural raw materials by 2020

Sustainably source our palm oil by 2020

Sustainably source our cane sugar by 2020

# 7 MILLION ACRES

to be covered by our Sustainable Farming Program, to advance respect for workers' human rights, improve growers' livelihoods and yields, and increase sustainable agricultural practices

Reduce Absolute Greenhouse Gas Emissions Across Our Value Chain

# 20%

# 15%

Improvement in Water Efficiency in Agriculture

Seek to sustainably source our non-direct major agricultural raw material ingredients by partnership and influence

# 2025
